

Quilt Along: Dutch Postcard 2025

Log Cabin blocks and borders Week 3

What you'll need:

6 blocks of 4.5 x 4.5 inches

Log Cabin Block: Traditional or FPP

- White fabric, Delft Blue fabric
- Fabric for the middle, orange and blue
Keep in mind that for FPP you need a bit more fabric.
- Ruler, rotary cutter, scissors.
- Needles, pins, yarn.
- For fpp, ruler and fpp paper.
- The templates.

Border: 2 x Delft Blue 12.5 inches x 1.5 inches

Log Cabin Block

You can either do this traditionally or fpp. Both can be found as templates. Note that you often need more fabric with FPP. For FPP you need 3 printed sheets. Always check when you finish the blocks if the size is right. Put 3 blocks together and iron. Put on another border of 12.5 x 1.5 inches on both sides. O so also on the other side.
